creative self-expression.

Turn your own artistic expressions into fabric thanks to Spoonflower. Upload a digital photograph, scanned artwork or images created in Photoshop or Illustrator—and choose from cotton, organic cotton sateen, organic cotton interlock knit, bamboo-cotton rayon, upholstery-weight cotton twill, or their new linen-cotton canvas. All selections are premium natural fabrics, and only eco-friendly textile printing is used. Imagine decorative pillows made with your own fabric—we can't think of a better way to put your own unique signature into your space.
